*Nantucket Island Resorts*

With their classic Nantucket charm and lavish amenities, it's no wonder that the White Elephant and the Wauwinet – both Nantucket Island Resort properties – have recently been given well-deserved spots on Travel + Leisure's "World's Best" list.

The White Elephant, a venue known for family fun, decadent brunches and a beachy atmosphere, was voted #19 out 50 domestic properties for Top Family Hotels in the US and Canada. The island-favorite was also granted membership onto the list of Best Hotel Region – the only hotel on Nantucket to do. So much for "white elephant" being synonymous with strange holiday gifts!

The Wauwinet, a go-to for anyone craving a more private Nantucket experience or creative preparations of lobster and spicy tuna, is basking in its first Travel + Leisure mention. The quaint, yet luxurious, inn was voted as #7 on the list of Top Inns in the US and Canada – the only inn in Massachusetts to do so!

Congratulations to both venues, check out the links below to read more!
